Summer Term 1

Dear Families,

It has been a lovely and busy week in school with lots of different activities for all our classes and we are all very much looking forward to celebrating the King's Coronation next week.

Delapre class have this week planted sunflower seeds and enjoyed a village walk looking at local landmarks; the pub, houses, church, bus stop and the war memorial.

Irchester class have been busy gardening and clearing out the pond and learning about pond life.

Stanwick class had their last NMPAT recorder class lesson with Catherine Gunn on Thursday and are looking forward to their performance to the school and their families next Friday at 2.30pm just before our Special Coronation Assembly.

Brixworth class have completed sewing their space belts which are all very different but super. Children have been learning about coastal erosion and cave formation. In PE children have started athletics this term.

Thank you for your plant donations this week and we are all very much looking forward to seeing the transformation to our planters thanks to our wonderful FOMS.

We look forward to seeing those of you who are able to join us for our Special Coronation Assembly next Friday, 5th May at 2.45pm.
